## Learn more about Framework

Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development.

### Why mentor?

Mentoring creates a more rewarding one-on-one experience for students, this

### Benefits

Mentorship is to tap into the existing knowledge, skills, and experience of the more seasoned students and

### How it works

The program/event will pair freshmen students with non traditional student

includes freshmen and the non-traditional students.

[More answers](#)

transfer these skills to freshmen students.

[More benefits](#)

to guide them through their first year of college.

## More events:

The program not only assists new students but it also gives the non traditional students a way to feel included. Throughout the year there will be a number of events for all mentors and their students to participate in.

### Fashion show

A fun way to raise money for charity and also walk the runway in your coolest attire.

[Get started](#)

### Cooking class

Cooking classes help to keep students healthy and prepare them to start being more self-sufficient.

[Lets start](#)

### Paint jam

Grab some brushes, paint, and a canvas, and you've got yourself a paint jam.
